

## Dwi'n Gymro, Dwi'n Gymraes

Mae 'na Ddwyrain, mae 'na Orllewin  
Mae 'na Ogledd ac mae 'na Dde;  
Mae mynyddoedd a dyffrynnoedd  
Yn codi a disgyn dros y lle.  
Mae 'na lynnoedd ac mae 'na afonydd,  
Mae 'na draethau aur ger y môr,  
Pentrefi a dinasoedd,  
Canwn yn un côr...

Dwi'n Gymro, dwi'n Gymraes,  
A dyma fi yn codi fy llais.  
Dwi'n Gymro, dwi'n Gymraes,  
Dwi'n caru fy ngwlad, dwi'n caru fy iaith!

Mae 'na hanes, ac mae 'na chwedlau,  
Mae 'na arwyr di bendraw,  
Mae 'na groeso ar bob aelwyd  
Mae pawb yn mynnu estyn llaw.  
Ac mae'n rhaid i ni ei thrysori,  
Rhoddwyd hon i ti ac i mi,  
Fe'i carwn a'i gwarchodwn,  
Cenwch gyda ni...

Dwi'n Gymro, dwi'n Gymraes,  
A dyma fi yn codi fy llais.  
Dwi'n Gymro, dwi'n Gymraes,  
Dwi'n caru fy ngwlad, dwi'n caru fy iaith!

Cymru!  
Gwaeddwch i bendraw'r byd!  
Cymru!  
Gwaeddwch bawb ynghyd!

Dwi'n Gymro, dwi'n Gymraes,  
A dyma fi yn codi fy llais.  
Dwi'n Gymro, dwi'n Gymraes,  
Dwi'n caru fy ngwlad, dwi'n caru fy iaith!

## **I'm Welsh as Welsh can be**

There's a West Wales and there's an East Wales,  
There's a North and South Wales too;  
There are valleys, there are mountains  
Rising and falling as they do.  
There are lakes and there are rivers,  
Golden beaches down by the sea,  
Villages and cities  
Sing along with me...

I'm Welsh as Welsh can be  
You can't take that away from me.  
I'm Welsh as Welsh can be,  
I love my land, I love my language.

We have history, we have legends,  
We have heroes, present, past,  
There's a welcome in each household,  
We'll take your hand and our love will last.  
And we must take care of our homeland,  
She's a gift, a treasure so fine,  
We'll love her and defend her  
Till the end of time.

I'm Welsh as Welsh can be  
You can't take that away from me.  
I'm Welsh as Welsh can be,  
I love my land, I love my language.

Cymru!  
Shout her name out loud!  
Cymru!  
We're forever proud...

I'm Welsh as Welsh can be  
You can't take that away from me.  
I'm Welsh as Welsh can be,  
I love my land, I love my language.
